COMNAVRESFOR INSTRUCTION 7220.4A

Subj: POLICY ON BASIC ALLOWANCE FOR SUBSISTENCE AND COMMUTED RATIONS FOR NEW ORLEANS AREA

Ref: (a) MILPERSMAN 2640100
(b) DODPM Article 30133
(c) DODPM Article 30114

1. Purpose. Reference (a) tasks Commander, Naval Reserve Force with determining policy for authorizing full Basic Allowance for Subsistence (BAS) and BAS at the commuted rations rate at Naval Support Activity, New Orleans, Louisiana (NAVSUPPACT NRLNS). This instruction establishes that policy, which applies to all enlisted military personnel assigned to NAVSUPPACT NRLNS and all tenant commands supported by the NAVSUPPACT NRLNS.

2. Cancellation. COMNAVRESFORINST 7220.4.

3. Action

a. Effective immediately, NAVSUPPACT NRLNS is authorized to approve full BAS to enlisted members who work and reside on the East Bank of the NAVSUPPACT NRLNS. This authorization is based on the physical distance of a member's residence from the dining facility, the impracticality of commuting to and from the facility, and the inability of the galley to handle the increased utilization if the East Bank personnel were required to use it.

b. Enlisted members who reside on the West Bank and work on the East Bank are authorized BAS at the commuted rations rate. They may continue to submit NAVCOMPT Form 3064 for Supplemental BAS for missed meals only. Approval of Supplemental BAS will be based on individual requests and only for meals not taken at the galley during duty hours.

c. Commanding Officer NAVSUPPACT NRLNS is directed to implement procedural directives reflecting this change in policy to all tenant commands. Guidance is provided in references (a), (b), and (c).
